GRAND KNIGHT’S MESSAGE

Dear Brother Knights,

Happy New Year.
I hope you all had a wonderful Christmas. I am sure this Christmas was different due to Covid-19 but I expect you all made the most of what you were able to do and enjoyed Christmas.

New council meeting guidelines and format were implemented in December. Format changes were the result of a survey of Knights with 55,000 Knights responding. 29 agenda items were addressed and ranked in importance with 19 agenda items being kept. The results are a more streamlined meeting, meeting best practices, and deletion of some obsolete practices.

If you have not been to a recent meeting, start the new year by attending our Council meeting Wednesday January 13 at 11:00 am.

Covid-19 protocol is followed very closely in the Conesa Center for the meetings. I feel more comfortable in the Conesa Center than in a grocery store or restaurant. However, if you prefer not to come to the meeting in person, join the meeting via Zoom.

A donation presentation will be given to a St Vincent de Paul representative prior to the start of the January meeting.

I have now been back to church for two months and feel very comfortable there too. Prince of Peace has a very good process for social distancing.

With Covid-19 still not letting up, we have no food events planned for the foreseeable future.

Florida K of C Charity Raffle tickets are still available. Contact Ed Wudarsky at ewudarsky@tampabay.rr.com or 813 230 0403 if you have not yet gotten your tickets. 50% of the sales stay with our Council.

We finally got our first new member of the Fraternal Year. Jack Wetter joined via the Virtual Ceremony in November and then transferred into our Council in December. We have another candidate who will be joining via the virtual ceremony process in January and then will also transfer into our Council. Let Jeff Stephanz or me know if you know of any other potential members.

Stay safe and healthy.

Vivat Jesus

Dear Brother Sir Knights

Hoping that your Holiday was blessed and filled with the Spirit of Christmas.

A big thank you to Father Augustine for the beautiful celebration of our memorial Mass for deceased Knights in November. This is such a wonderful tradition to remember our Brother Knights. Thanks to Duncan Farney for putting all of this together and Jeff Stephanz assisting. We now have a great format to follow for next year’s memorial Mass.

There are no plans to put Pancake Breakfast on our schedule at this time. Hopefully the vaccine will stop the Covid-19 from spreading. Once this happens restrictions can be lifted and we can enjoy the delicious hot cakes and sausage once again.

I know it is with uncertainly that you may be staying away from attending our monthly meeting but we practice all the protocol to have a safe environment. We would love to see you as it is great to spend a little time to visit with people you may not have seen for a while.

Now that 2020 is behind us we can all look forward to a new year. With Jesus Christ on our side, we will persevere. Stay safe and healthy.

Vivat Jesus,
Faithful Navigator - Don Mangers

The last nine months have been challenging with the Covid virus precautions causing many council activities to be curtailed.

However, your council has continued to serve the church, community, and membership in numerous successful programs which is commendable.

Your officers and members are truly acting in the spirit that the Order stands for and imagined by our founder, Blessed Michael McGivney.

Our best days are ahead and I look forward to working with all of you the next six months.

Well done to all.

Vivat Jesus
Fraternally,

Dave Farrugia, DD 47

Happy New Year! As we begin the new year it’s common to review the past year and look at what we’d like to accomplish in the new one. Already there’s been much advertising and talk about 2021 and the relation to our eyesight…how we’ll be able to see more clearly, look at the year with new vision, not be shortsighted.

Of course all this talk about the future brings us to the usual thinking about the new year…making resolutions. That is a good thing! All of us want to resolve to do those things that will lead to happier, healthier lives.

Some of the most common resolutions are to lose weight, get in shape and exercise more. Others resolve to stop smoking.

If you think about the spiritual, many new year’s resolutions concern having a more centered prayer life or receiving the sacraments more often.

Many of my friends think more about quality time…quality time spent with their family and friends; those that are most important in their lives.

As you think about family, one resolution I can help you keep is to update your Family Service Record and take stock of your financial goals. Are you where you want to be? Do you have a plan? With our professional approach using the Profiles+ Forecaster financial needs analysis you can see if there are any gaps in your coverage and how close you are to achieving your goals and aspirations.

Some members are not aware of all the products we have to offer: Life insurance, long term care insurance, disability income insurance and retirement annuities. These products can help protect your family in all the financial situations where you might find yourself. Life insurance protects your loved ones financially if you are not here to help provide. The need for life insurance changes at different stages of a person’s life; Young and unmarried members and the man retiring next month each have life insurance needs, but the type and amount may vary widely. I can give you some advice on that. Disability income insurance provides a paycheck if you are sick or hurt and can’t work. If your company offers some, do you know how much, for how long and is it taxable? I can help sort that out.

Long term care insurance protects those assets you’ve worked so hard all your life to accumulate. Don’t deplete all the family’s savings for a care event when the Knights can take on that risk. With all the concern about market volatility and the health of Social Security, our fixed rate annuities guarantee a minimum interest rate for life, the safety of conservative investment strategy and an income stream you cannot outlive.

What’s most important to you and your family? There is no cookie cutter answer. That’s why I meet with members and their spouses and first determine what issues are of most concern to you. From there I can help analyze where you are in relation to your goals and construct a plan to get you where you want to go. All done in the comfort of your home and at your convenience.

As a brother Knight and your field agent I have so much more responsibility than a simple financial advisor or stock broker. We’ll take a look at your dreams, goals and aspirations for 2021 and beyond. Resolve today to meet with me and ensure that at the end of this new year, your financial picture will be seen with 2021 vision.

Vivat Jesus!

John Holtzhauser
